

## **Sungi Emergency Response**

Sungi being the frontline humanitarian organization has started response in the flood affected districts of Sindh. Initially, Sungi Development Foundation has established Temporary Learning Centers (TLCs) in the severely flood hit districts of Sindh, Province where education system had been shattered by the recent monsoon floods. In the collaboration Alight Pakistan, Sungi Development Foundation has established (TLCs) in the different community sites of District Sukkur and District Shikarpur where 430 children of flood affected communities received education in protected and friendly environment. Besides, of TLCs establishment Sungi with Alight Pakistan is also going to improve the basic health services in 4 RHCs in same districts in upcoming days.
