Project Description:

The project was initiated in October 2005 in Abbottabad and Murree through the financial assistance of Oxfam Novib of PKR 273,207 and was completed in August 2006.

Project Objectives:

Provision of early recovery support to the disaster affected communities.

Project Outcomes:

Through this project, Sungi was able to provide food assistance to 6,000 households benefiting about 46,200 affected populations whereas five medical camps were arranged in the affected union councils providing affectees access to the basic health facilities at their nearest point; six links roads were cleared and 170 houses were rehabilitated which lay in their proximity communities. Various trainings were organized and rehabilitation of drinking water schemes was launched. Due to earthquake 2005 funds of this project were utilized in the emergency response. This support helped the affectees to recover from initial shock hence enabling them to revitalise from the past misery.

List of major activities:

1. Provision of food items
2. Setting up medical camps
3. Rehabilitation of water supply schemes
4. Capacity building on disaster management
