Project Outcomes:

Provide appropriate housing facility to the earthquake affected people.

List of major activities:

Earthquake of 2005 had damages the infrastructure on a very vast scale. Non-cemented houses in the villages were already weak so they got completely demolished and the residents were forced to live in open skies for many days before they were provided with transitional shelter. Sungi being present in Abbottabad and Mansehra realised this hazard to the communities and initiated this project to provide the communities with disaster resilient shelters so that they can withstand the shocks and disasters. Therefore, this huge project was launched benefiting people of two most hit districts of KPK.

List of major activities:

1. Identification of beneficiaries
2. Wellbeing ranking
3. Social mobilisation
4. Formation of operation and maintenance committees
5. Provision of disaster resilient shelter
